DUPONT™

DuPont™ Tedlar® PVF Films

Innovative Solutions for Automotive Finishes

DuPont Tedlar® films offer durable finishes for a variety of interior and exterior automotive surfaces.

Unique Properties:

- Durable for all types of automotive applications
- Resistant to UV, staining and weathering
- Does not promote the growth of mold, mildew, and bacteria
- Ideal materials for surface protection against corrosion, fading and cracking
- Resistant to brake fluid, harsh solvents, fuels, lubricating oils, sulfuric acid and road salt
- Tough and flexible in hot and cold temperatures

Maximum Design Flexibility:

- Available in a variety of colors, thicknesses, gloss levels, treatments and mechanical properties
- Adheres to a wide range of substrates
- Offers broad customization of texture, colors, and patterns
