The 2018 30th Awards for Packaging Innovation is the packaging industry's longest running, independently judged competition. It honors innovations in packaging design, materials, technology, processes, and service across the entire packaging value chain. Inaugurated in 1986 by DuPont, and growing to be recognized as the leading packaging awards program in the world, the program's tradition of excellence is now proudly continued by Dow.

In evaluating entries, jurors will consider excellence based on the following criteria:
