DuPont™ Fontelis® fungicide delivers broad-spectrum coverage for fast-acting and long-lasting protection that’s preventive and curative. It’s the power and flexibility you need to realize high-quality, high-yielding edible beans.

**Key Benefits of Fontelis®:**
- Single active ingredient delivers an extremely broad spectrum of control
- Highly protective yet also highly curative
- Excellent crop safety with no adverse effects on crop growth, yield or produce quality
- Works just as well when sprayed on heavier, more mature canopies as when applied to younger plants, earlier in the season
- Rapidly penetrates into plant tissues, rainfast within 1 hour after application
- Zero day preharvest interval
- Registered by EPA under its Reduced Risk Pesticide Program for most labeled crops*

* Contact your DuPont representative for the list of crops that have been registered in the Reduced Risk Pesticide Program.

**Diseases controlled by Fontelis®**
- Sclerotinia rot, white mold

---

**DuPont™ Fontelis® fungicide**

- Active ingredient name: Penthiopyrad
- Chemical class: FRAC Group 7, carboxamides
- Formulation: 20 SC
- PHI: 0 days
- REI: 12 hours

<td>Make at-plant, pre-plant incorporated, in-furrow, transplant drench, or drip applications. Maximum rate per acre per application is 30 fl oz. See soil-borne disease section instruction.</td>
</tr>
</tbody>
</table>

Make no more than 2 sequential applications of Fontelis® fungicide before switching to a fungicide with a different mode of action. Minimum time from application to harvest (PHI) is 0 days. Do not exceed 72 fl oz/A per year.

---

**Maximum Residue Levels (MRLs)**

DuPont™ Fontelis® fungicide is registered with the EPA and has received registrations in most states. DuPont is establishing MRLs in key countries of export to facilitate ease of trade for our customers. For updates to MRL status, please refer to the USDA MRL Database ([mrldatabase.com](http://mrldatabase.com)).

For any specific MRL-related questions on Fontelis® to support your crop export management decisions, please contact your local DuPont representative or email DuPont™ SmoothTrade™ Solutions at [SmoothTrade@dupont.com](mailto:SmoothTrade@dupont.com).

---

**For more information**

Contact your local DuPont retailer or representative to get the power and flexibility you need to realize the full potential for high-quality, high-yielding crops with DuPont™ Fontelis® fungicide. And visit us at [fontelis.dupont.com](http://fontelis.dupont.com).
