## WEATHERMATE™ WEATHER BARRIER SOLUTIONS

Weatherization products from Dow are integrated to help provide a durable, high-performance water-resistive barrier on exterior walls and around windows and doors for exceptional, long-term moisture management.

### LIMITED WARRANTY:

- A. WEATHERMATE™ Plus Housewrap\* is expressly warranted for a period of ten (10) years from purchase that it will be free of defects in material and workmanship and perform to published physical property specifications from The Dow Chemical Company ("Dow") when installed in strict accordance to Dow's installation procedures and accepted industry standards in a standard water-resistive barrier vertical wall application. Installation must include the use of WEATHERMATE™ Construction Tape, WEATHERMATE™ Straight and/or Flexible Flashings, WEATHERMATE™ Sill Pan and one or more of the following Dow brand products (STYROFOAM™ Brand Extruded Polystyrene Foam Insulation, Dow polyisocyanurate insulation, and/or GREAT STUFF PRO™ Window & Door Insulating Foam Sealant\*\*), in a properly designed and constructed wall system. In the event of a warranty claim, Dow will only be responsible for and will pay for the cost of the WEATHERMATE™ Plus Housewrap that is the subject of the claim and labor to correct problems found to be caused solely by the failure of the WEATHERMATE™ Plus Housewrap to perform according to the published physical property specifications as expressly warranted above. This warranty does not apply to loss or damage due to abuse, mishandling, accident, or damage caused primarily by someone or something other than WEATHERMATE™ Plus Housewrap.
