

DuPont™ Tyvek® Recycling Program in UK

As a founding member of the World Business Council for Sustainable Development, DuPont has been a sustainability leader for decades and committed to using a science-based approach to our innovations and our goals. DuPont™ Tyvek® products extend our commitment to sustainability through their unique properties and performance characteristics – light weight, water resistant and durable. Made with 100% HDPE, Tyvek® is readily recyclable for its second life.

As part of DuPont™ Tyvek® sustainability efforts, we have enabled Tyvek® recycle program in UK through leveraging external partner's (Spenic Ltd.) capacity with details as follows:

1. Used Tyvek® accepted for recycling

- Non printed Tyvek®
- Printed Tyvek®
- Laminated and PU coated Tyvek®, please consult Spenic
- Tyvek® with infectious substances, biological products, cultures, patient specimens and regulated medical waste will not be accepted

2. There is NO minimum required quantity for recycling.

3. Separate the white Tyvek® and the printed Tyvek®, pack them into separate batches and send to the address below:

Tyvek Recycling
Spenic Converters LLP.
Unit 11, Caker Stream Road,
Mill Lane Industrial Estate,
Alton, Hampshire, GU34 2QA

4. For large shipments in pallet(s) of used Tyvek®, please contact Spenic Ltd. by phone on 01454 430 209 or e-mail sales@spenic.com to confirm delivery arrangements first.

5. Spenic Ltd.'s recycling operation is coordinated at their conversion facility where they stream the printed and non printed Tyvek® ready to enter the program.

6. Spenic Ltd.'s recycling partner will convert both the white Tyvek® and printed Tyvek® into HDPE pellets, so that it can be reused in a sustainable way.
