

BETASEAL™ Express APG

Advanced Primerless-to-Glass Adhesive with 60-Min MDAT

Key Information:

- OEM Quality: Formulation meets and exceeds OEM specifications for strength and durability
- Safety: Independently tested and passed FMVSS 212 crash test ensuring 60-minute MDAT
- Experience: Over 60 years of adhesives expertise, we introduced direct glazing to the auto industry
- BETASEAL™ Express APG is built from 30 years of market leading primerless-to-glass technology

Key Product Facts:

- Simplifies glass replacement
- High Modulus and Non-Conductive formula (HMNC) to OEM specifications
- Primerless-to-glass on exterior and inner layer frit
- Can be applied across a wide temperature spectrum, including down to 0°F (-18°C)
- Technician Friendly – easy-to-dispense formula offers excellent sag or slide resistance, and easy-to-tool with short tails

Made in the USA
