

FROM TYVEK® TO ... **TYVEK® XPERT**

Decades of experience in the field have made Tyvek® garments a point of reference in chemical protective clothing.

By continuing to improve, to fine-tune and to innovate, DuPont has pushed Tyvek® garments to a new level of protection:

Tyvek® Xpert, setting a new standard of protection in the type 5/6 category.

REDEFINING PROTECTION IN EVERY DETAIL

NEW!

→ Xtra protection thanks to the innovative design

Observing, testing, changing, re-testing...is the only way to come up with the design that will answer your needs.

Tyvek® Xpert is designed for optimal safety, minimizing the exposed areas of the wearer in all working conditions:

NEW IMPROVED HOOD: perfectly fits the contours of the face

Common hood design deficiency: exposure risk!

NEW SLEEVE DESIGN: perfect fit even when performing overhead work

Common sleeve design deficiency!

XCEPTIONAL DESIGN, XTRA FLEXIBILITY

Offering more protection, Tyvek® Xpert benefits from a new ergonomic design allowing full freedom of movement even when performing strenuous tasks:

Tyvek® Xpert features include:

 Category III	 Type 5	 Type 6	 EN 1073-2:2002	 EN 14126:2003*
		New test method: EN 17491-4 Method A	Class 2	NEW
		NEW	NEW	

NEW! Hood shape to perfectly follow head movements and mask fit

NEW! Larger zipper puller; easier to fasten and unfasten when wearing gloves

Glued-in (not stitched) waist elastic for protection and good fit

Elastic hood, wrist and ankles for perfect fit

● **NEW!** Overall ergonomic shape for better fit and protection when moving

● 3-piece hood for optimal fit

● Zipper and Tyvek® storm flap for increased protection

● External serged seam

● **NEW!** Sleeves that won't ride up, so thumb loops are no longer needed!

● Ample crotch area for better freedom of movement

- ✓ Stringent quality assurance for extremely high garment quality
- ✓ Good breathability thanks to air and moisture vapor permeability
- ✓ Silicon-free

Style #: TY 198S

Sizes: SM-7X

CE Certified

*Fabric only

Different jobs require different levels of protective clothing. DuPont Personal Protection offers a wide range of protective clothing to address your needs.

Tyvek® Xpert contains natural rubber latex which may cause allergic reactions in some sensitized individuals. Anyone who begins to exhibit an allergic response during the use of DuPont products should immediately cease using these products. The incident should also be reported to DuPont at 1-800-441-3637 so that an investigation can be initiated.

This information is based upon technical data that DuPont believes to be reliable. It is subject to revision as additional knowledge and experience are gained. DuPont makes no guarantee of results and assumes no obligation or liability in connection with this information. It is the user's responsibility to determine the nature and level of hazards and the proper personal protective equipment needed. The information set forth herein reflects laboratory performance of fabrics, not complete garments, under controlled conditions. It is intended for information use by persons having technical skill for evaluation under their specific end-use conditions, at their own discretion and risk. Anyone intending to use this information should first verify that the garment selected is suitable for the intended use. In many cases, seams and closures have shorter breakthrough times and higher penetration rates than the fabric. Please contact DuPont for specific data. These garments are intended for limited use and should be disposed of after single use. If fabric becomes torn, abraded or punctured, or if seams or closures fail, or if attached gloves, visors, etc. are damaged, end user should discontinue use of garment to avoid potential exposure.
