

Ethan Simon
Global Technology Leader
DuPont Advanced Materials

Ethan has been with DowDuPont for over 25 years in various technology leadership roles. Currently he is CTO for the Photovoltaic and Advanced Materials business. He has served as R&D director in areas such as semiconductor chemical mechanical planarization (CMP), new technology development, and specialty antimicrobial and polymeric products for consumer and industrial applications. He holds a Ph.D. and Master's degree in chemistry from Harvard University, a bachelor's degree in biochemistry from Harvard and a certificate in business management from Wharton.

He holds an MBA from Harvard Business School, and received both a Bachelor of Science degree in Mechanical Engineering and a Masters of Science degree in Systems Engineering from the University of Pennsylvania.
