DuPont™ Tyvek® trademark use guidelines
March 2019
Overview

We value you as a customer of DuPont™ Tyvek® material, whether you are a direct customer or purchase our product from an authorized third-party supplier. Your use of our trademarks is solely for the purpose of informing the public of the presence of our ingredient in your product.

This document outlines the specific ways you may reference Tyvek®. As a customer, you are allowed to use the Tyvek® trademark in your product information as described here, provided that no other competitive material is used in the same product.

Important note
This document does not constitute a trademark license.

Any use of a DuPont trademark in a promotional way (i.e., in prominent characters or font, or use in a logo format, etc.) with the intention to persuade and influence purchasers of your product, requires a Trademark License Agreement.

Any reference to the Tyvek® brand outside of what is included in this document may subject your company to brand protection enforcement action.
Do’s for proper Tyvek® reference

It is important to protect the Tyvek® brand through the correct use of the trademark.

• **Always capitalize the T in Tyvek®.**
  Example: Printed on tear-proof and water-resistant DuPont™ Tyvek® material.

• **Include the registration mark after each instance of Tyvek®.**
  Example: Tyvek® material is water-resistant and recyclable.

• **Include the generic descriptor at least once per page.**
  Example: Tyvek® sheet or Tyvek® material.

• **Include the legal footnote at the bottom of all materials.**
  Example: DuPont™, the DuPont Oval Logo and Tyvek® are trademarks or registered trademarks of DuPont or its affiliates. Copyright © 2019 DuPont de Nemours Inc.

• **Reference to Tyvek® may only be included in the material/ingredient content description of the product containing Tyvek®. If such a reference is included in text, it may be cited one time only.**
