

# Tedlar®

## Parking Garage Graphics

These beautiful and colorful Park-n-Ride graphics are protected by General Formulations' 285 RoughMark combined with a protective Tedlar® Laminate.

This product combination is ideal because it will stick to the variable surface and provide graffiti protection for the artwork in an unmonitored parking structure, a win-win.

And as an extra bonus, the different graphics act as colorful marker for remembering where you parked. DuPont™ Tedlar® film is an ideal surfacing material for graffiti resistance and protection against fading and corrosion, keeping decorative outdoor spaces looking newer longer.
