

WAVE PRO

Requesting Access

DuPont Water Solutions

45-D04879-en, Rev. 3

Who this guide is meant for

Existing DuPont.com Users (Pages 3 -14)

Users with an existing account on www.dupont.com can bypass the sign-up process.

They must register for the WAVE PRO application.

New Users (Pages 15 - 30)

Users without an account on www.dupont.com must complete the sign-up process.

During sign-up, they can request access to WAVE PRO.

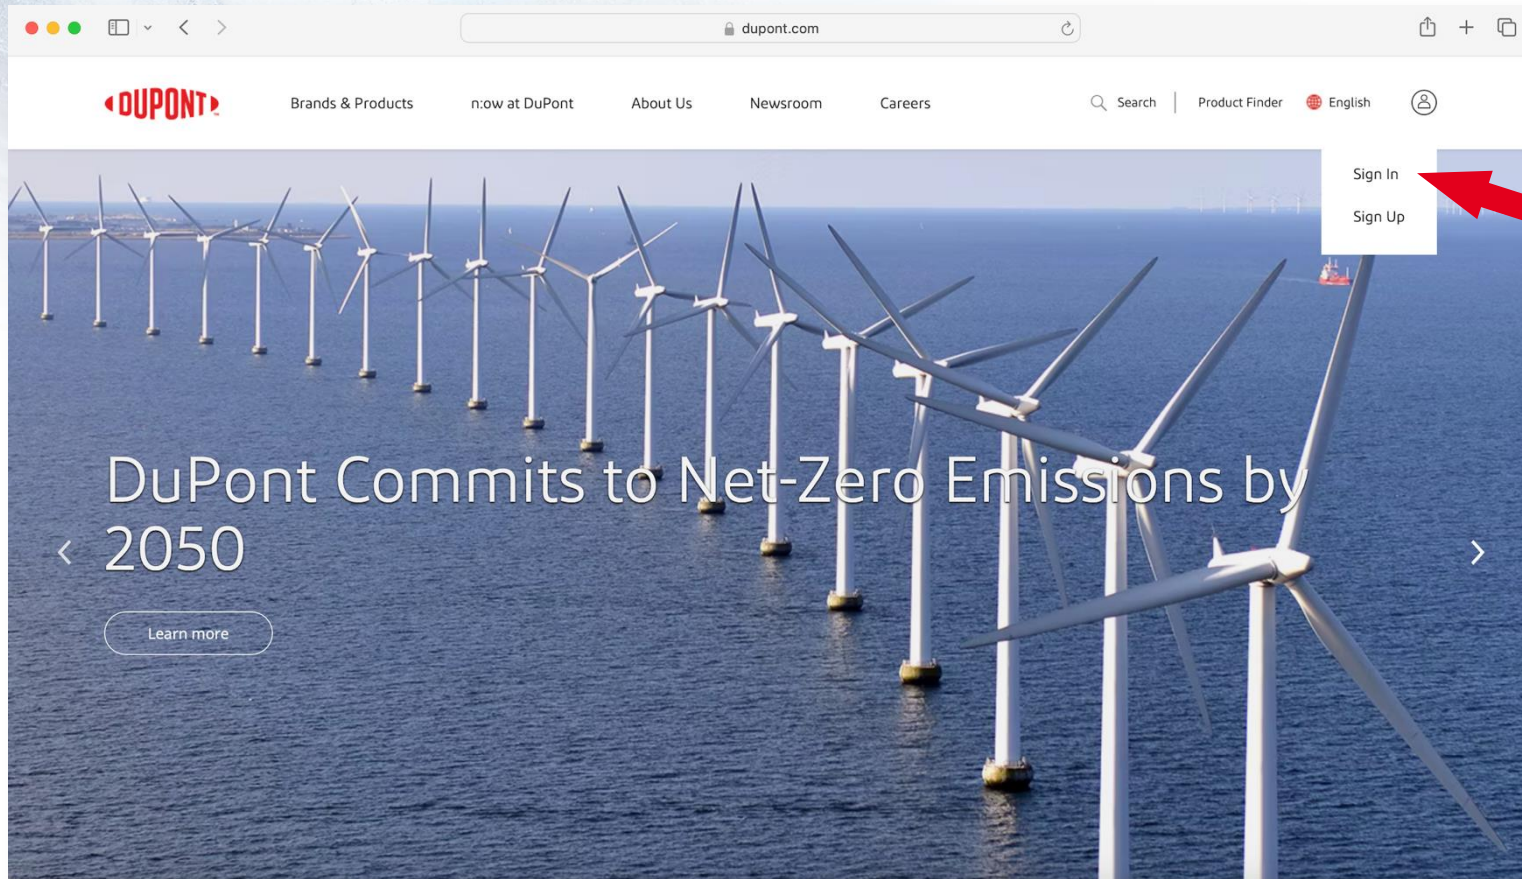

Existing Users

Users with an existing account on www.dupont.com can bypass the sign-up process.

They must register for the WAVE PRO application.

Step 1

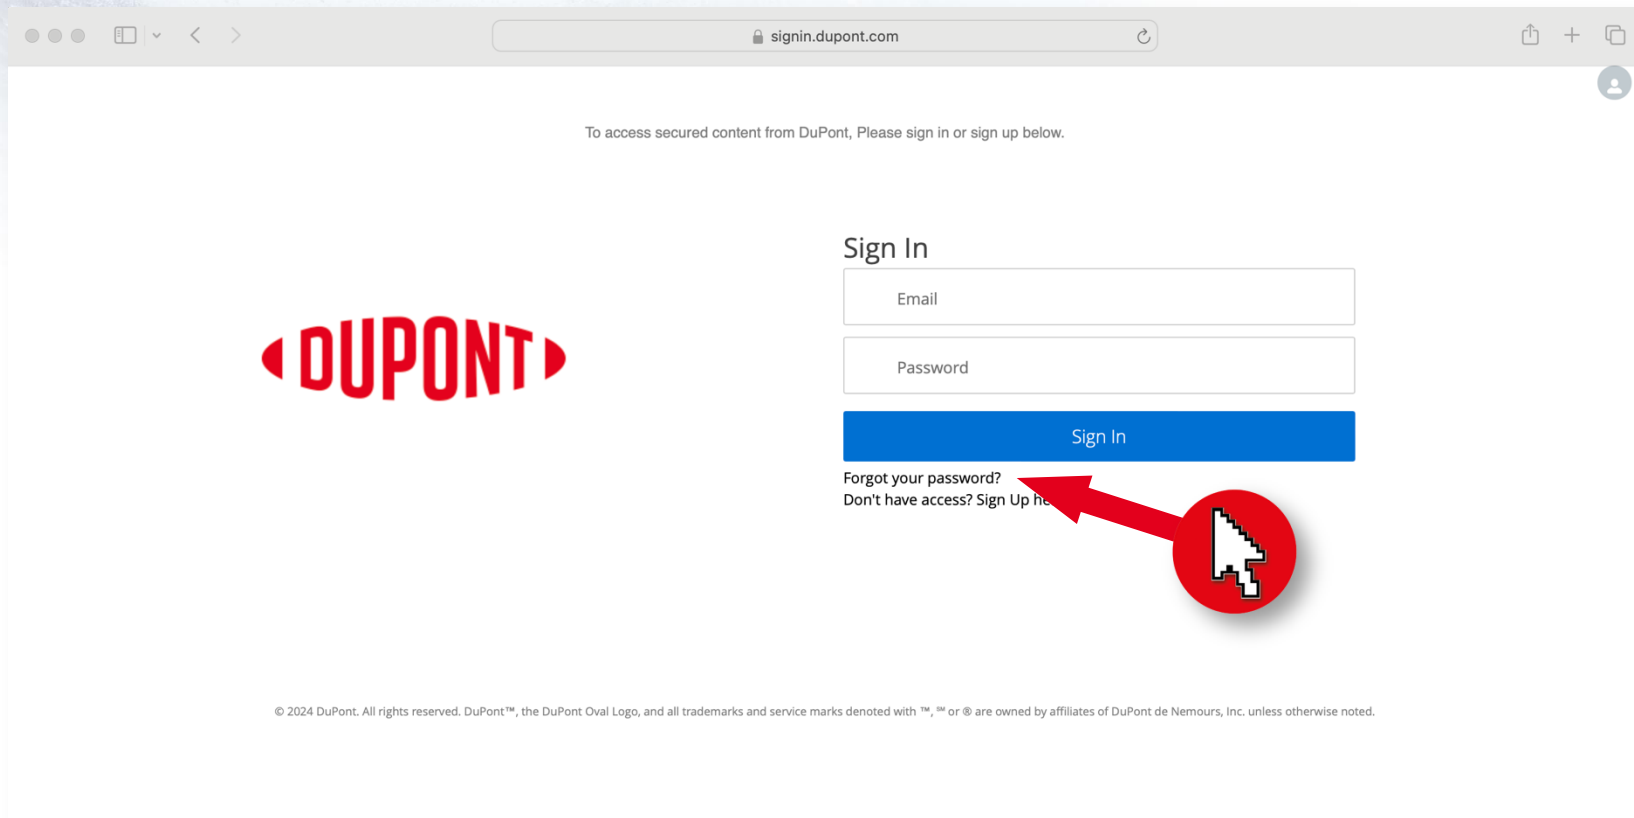

Access your account on www.dupont.com by clicking the Sign In option located in the top right corner.

Step 2

To log in, visit signin.dupont.com and enter your DuPont registered email and password.

If you forgot your password, you can use the reset option.

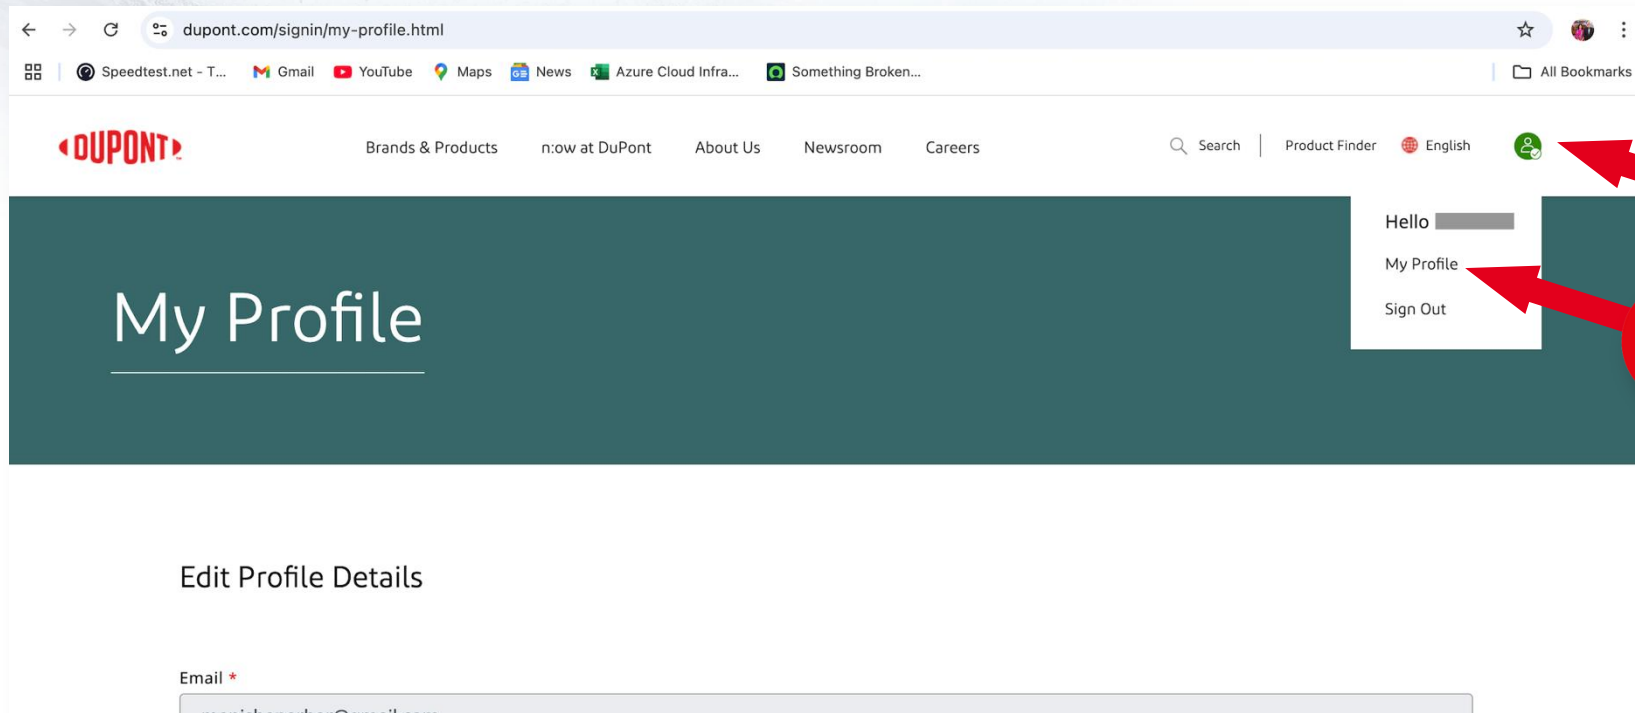

The screenshot shows a web browser window at signin.dupont.com. The page features the DuPont logo on the left and a sign-in form on the right. The form includes fields for 'Email' and 'Password', a blue 'Sign In' button, and links for 'Forgot your password?' and 'Don't have access? Sign Up here'. A red arrow points from a red circular mouse cursor icon to the 'Forgot your password?' link. The page also contains a small text notice at the bottom: '© 2024 DuPont. All rights reserved. DuPont™, the DuPont Oval Logo, and all trademarks and service marks denoted with ™, ® or © are owned by affiliates of DuPont de Nemours, Inc. unless otherwise noted.'

Step 3

To subscribe to the WAVE PRO app, click on the Profile icon located in the top right corner. Then, select the 'My Profile' sub-menu.

Step 4

Update your profile to include the WAVE PRO app.

A screenshot of a web browser showing the 'My Profile' page on dupont.com. The browser's address bar shows 'dupont.com'. The page has a dark teal header with the 'My Profile' title. Below the header, there is a section titled 'Edit Profile Details' with the instruction 'Click the edit icon to update the details.' To the right of this text, a small square icon containing a pencil is highlighted with a yellow border. A red arrow points from a red circular mouse cursor icon to this icon. Below the instruction are several form fields: 'Email *' (with a placeholder '@dupont.com'), 'First Name *' and 'Last Name *' (each with a placeholder), 'Company *' (with a dropdown menu showing 'Dupont'), 'Industry *' (with a dropdown menu), 'Address' (with a placeholder), 'Country *' (with a dropdown menu showing 'INDIA'), 'City' (with a placeholder), 'Zip Code *', and 'Phone Number *'.

Step 5

Scroll down to the "My Applications" section.
Select the checkbox for "WAVE PRO".
Click on "Submit Request".

Note: You may need to expand the My Applications section by clicking on the + icon

My Applications -

DuPont Safety and Personal Protection

- DuPont Personal Protection
Kevlar®, Nomex®, Tyvek®- Register to access premium content including on-demand webinars, datasheets, guidebooks, certificates of sterility downloads and much more

E&I

- DuPont™ Liveo™ Healthcare Solution
Register to access Liveo™ Healthcare Solutions Formulation

DuPont™ Tyvek® Healthcare Packaging Resource Center

- MPP Resource Center
DuPont™ Tyvek® Healthcare Packaging Resource Center- Register to get access all of our great content including: Product Specifications, Technical Reference Guides, ISO Conformity Guides, Webinars and Medical Packaging Transition Project (MPTP) documents.

DuPont Water Solutions

- SOAR Smart
Remote monitoring and reporting tool for Closed Circuit Reverse Osmosis hardware.
- WAVE PRO
Comprehensive online monitoring and control for membrane filtration
- Resource Center Premium
Register to access premium content and tools, including Minerva, "WAVE" multi-tech design software, on-demand webinars, and "DuPont WaterApp."

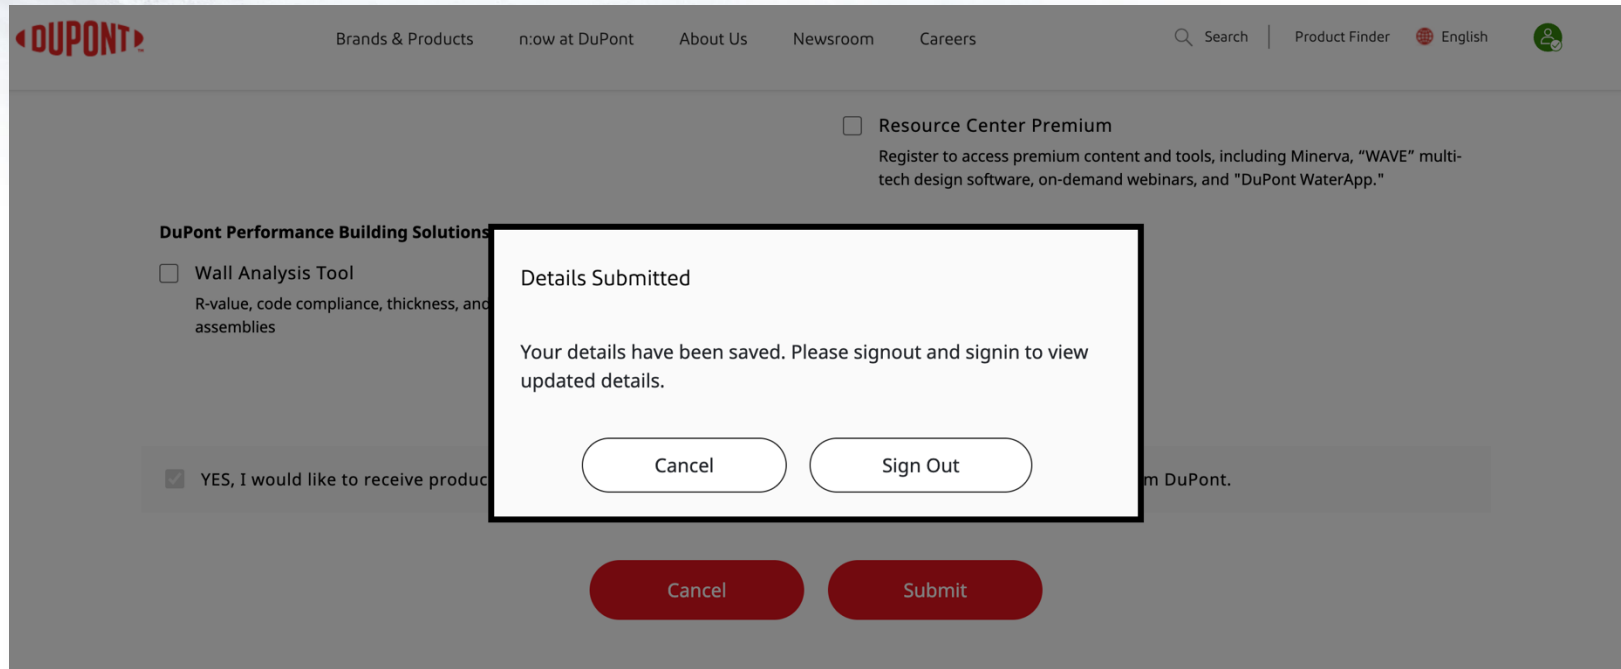

Step 6

The details have been submitted.

Sign out and then sign back in at www.dupont.com.

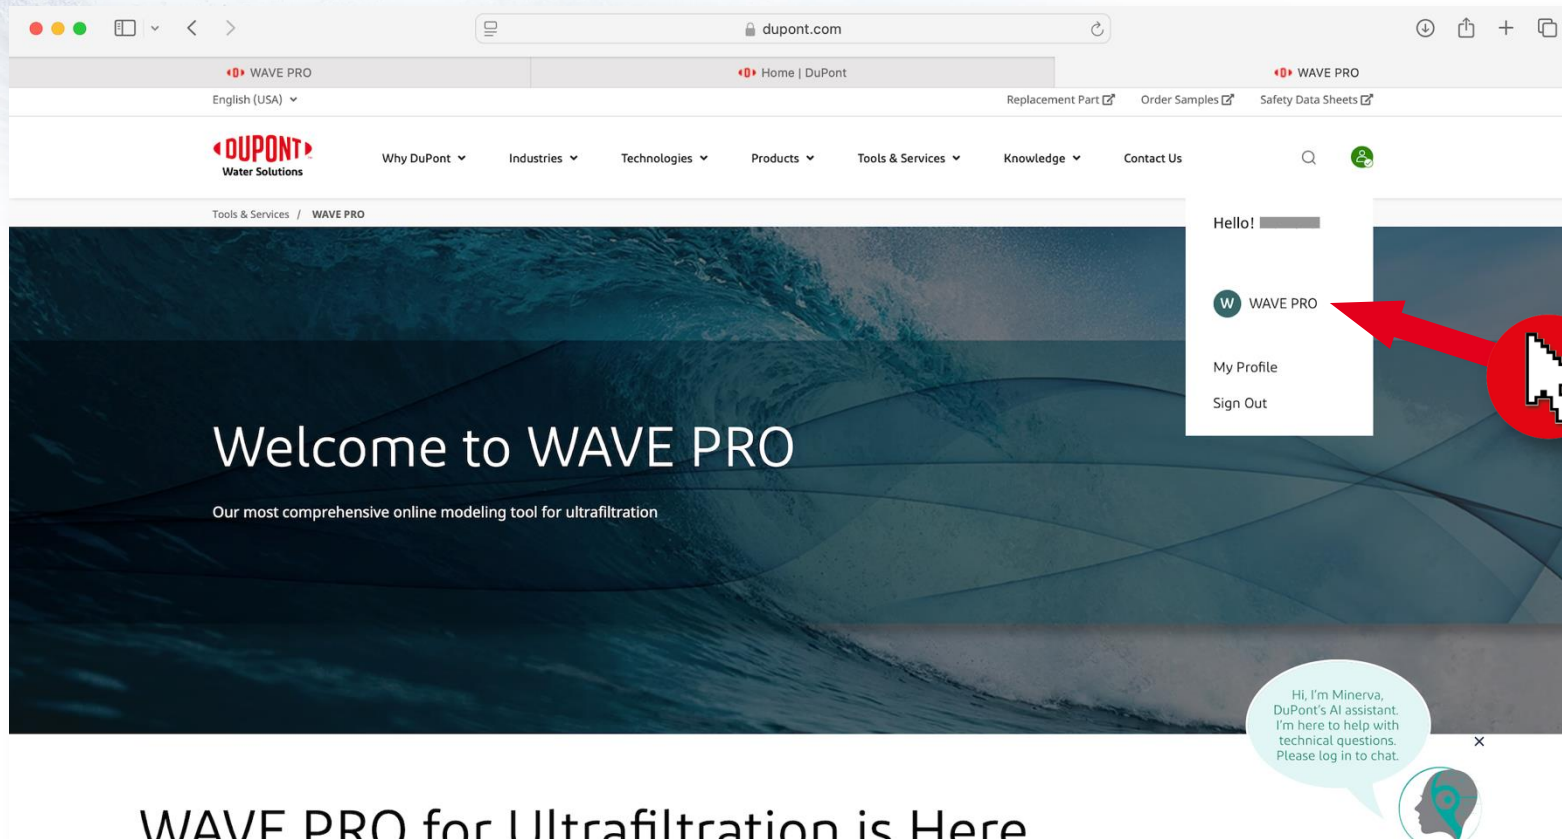

Note: Users can also login directly to WAVE PRO at <http://wavepro.dupont.com>

Step 7

Navigate to My Profile in the top right corner to find WAVE PRO added to your list of subscribed apps. Click on WAVE PRO to get started.

Step 8

Please agree to the Digital Terms and Conditions.

User must scroll to the bottom of the page to enable the Acceptance button.

DUPONT WATER SOLUTIONS

DIGITAL PROGRAM TERMS AND CONDITIONS OF USE

You ("Customer") have elected to subscribe to a DuPont Water Solutions Digital Program ("the Program"). Please read these terms and conditions carefully as they represent the terms of a binding agreement (the "Agreement" or "Terms") between Customer and DDP Electronic Materials, LLC and Affiliates ("DuPont") and govern your use of the DuPont Water Solutions Digital Program. You will be accepting and agreeing to be bound by these Terms by clicking a box indicating that you agree with these Terms.

1. **Definitions.** Capitalized terms shall have the definition set forth below:

"Access Period" means the agreed period of time during which Customer will have access to utilize the Program, Software and Documentation.

"Affiliate" means any corporation, limited liability company or other entity that controls, is controlled by, or is under common control with DDP Electronic Materials LLC.

"Customer Data" means any and all data, information and/or materials provided or made available by or on behalf of Customer to DuPont for use in connection with Program or otherwise relating to the Agreement.

"Derived Data" means (i) Customer Data that has been processed, anonymized, aggregated and/or manipulated by or on behalf of DuPont to such a degree that it cannot be identified by visual inspection as originating directly from Customer Data and cannot be reverse-engineered such that it can be so identified; and (ii) any general information or insight that is derived by or on behalf of DuPont in connection with the Program or the Agreement.

"Documentation" means all documentation and other materials related to the Program, and/or Software, including (i) Program information, documents, brochures and digital files, and (ii) user manuals, help files and any other instructions and documents that describe the functionality, installation, operation, use, support, technical features

Accept Terms And Conditions

Step 9

Setup WAVE PRO Profile.

Note: User can skip it and setup profile later

WELCOME TO WAVE PRO
Enter below details for account preferences. They can be changed later. Profile picture can't be more than 100KB

***Select Language**
English (USA)

***Default Time Zone**
(UTC+05:30) Asia/Calcutta

***Technology Preferences**
 UF IX
It can be changed from inside the project. Only the selected technology will appear in the System Design page.

Selected Technologies

Pre-treatment: UF, IXSD, IXOS

Bulk Demineralization: RO, CCRO, ROSC, IXD

Step 4

Confirmation of Registration

The screenshot shows the DuPont website's registration confirmation page. At the top, the DuPont logo is on the left, and navigation links for 'Brands & Products', 'now at DuPont', 'About Us', 'Newsroom', and 'Careers' are in the center. On the right, there are links for 'Search', 'Product Finder', 'English', and a user profile icon. Below the navigation is a dark teal banner with the text 'Sign Up' in white. The main content area is white and features a 'Thank You!' message: 'Thank You! Your registration was successful, Please check your email for your user name and instructions to set up your password.' Below the message is a grid of five columns of links: 'Featured brands' (Kevlar®, Nomex®, Corian®, Tyvek®, Sorona®, Danisco®), 'Our Company' (About, Careers, Newsroom, Sustainability, Global Locations, Investors), 'Our Solutions' (Product Lines, Industries, Brands, Solution Finder), 'Support' (Contact, SDS Finder, Brand Licensing, Supplier Center), and 'Ethics & Compliance' (Position Statements, Ethics Hotline, Code of Conduct, REACH). On the right side of the grid, there are three social media icons: LinkedIn, YouTube, and Twitter.

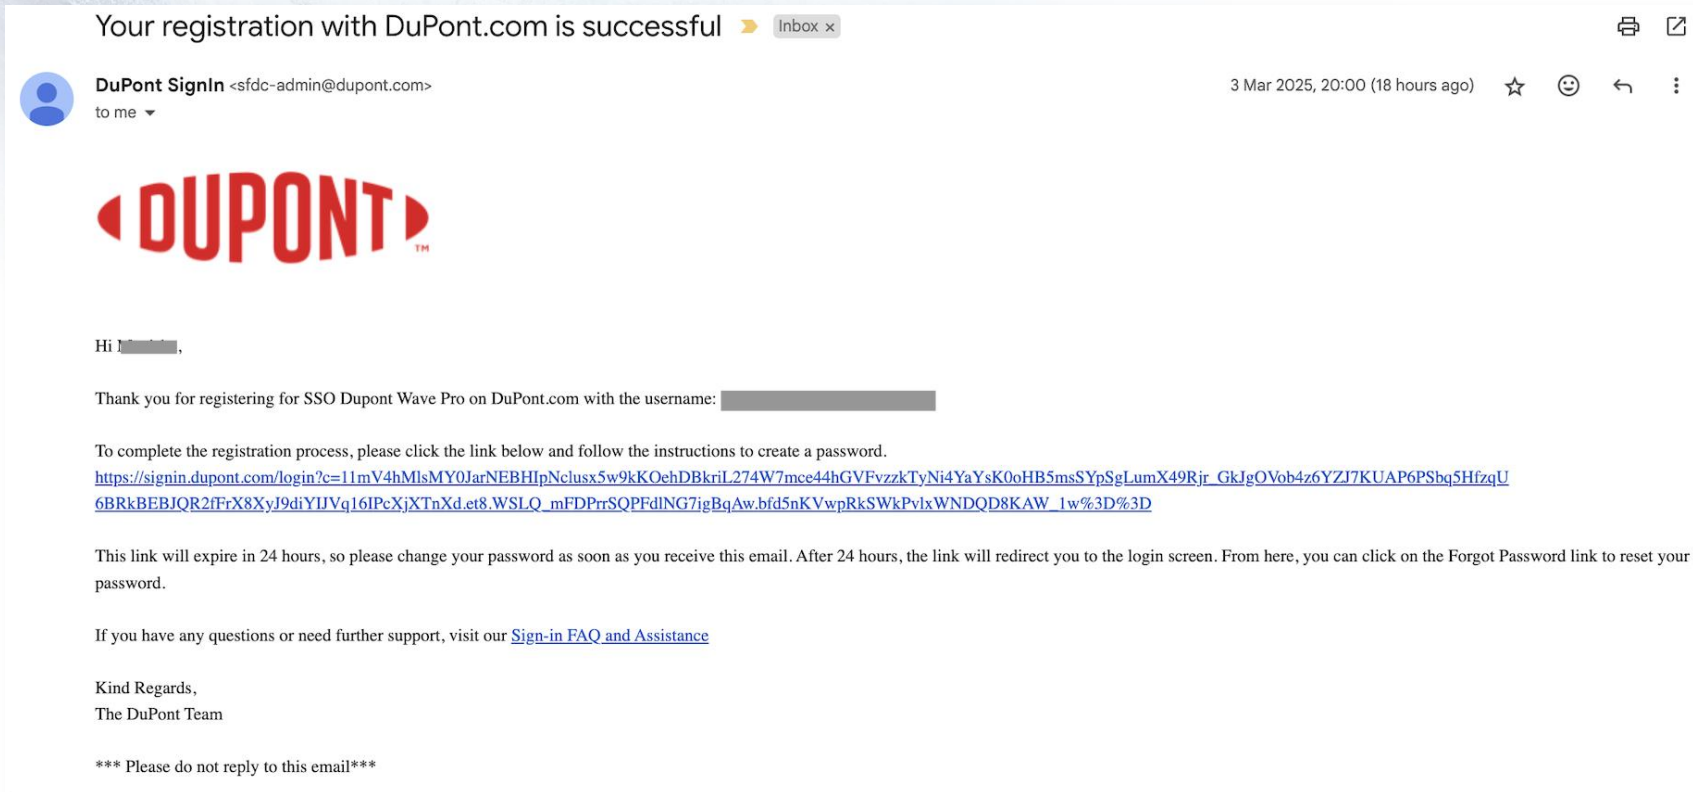

Step 5

You will receive an email to set up a password.

Note: User will receive another email to confirm WAVE PRO access, no action is required on that

Step 6

Accept Legal Terms & Conditions

LEGAL NOTICES & TERMS OF USE

Welcome. DuPont offers this website to you subject to the following terms and conditions ("Terms"). The Terms apply to this website located at www.dupont.com and all other DuPont websites around the world (collectively, the "Site"). The Site (including its content, design, structure, and look-and-feel) is the property of DuPont de Nemours, Inc. ("DuPont") and protected by copyright, trademark, and other intellectual property and unfair competition laws. **By using the Site, you agree to these Terms. If you do not agree with any of these Terms, you must not access or use the Site.** By using this Site, you represent and warrant that you are the legal age of majority under applicable law to form a binding contract with DuPont and meet all of the foregoing eligibility requirements. If you do not meet all of these requirements, you must not access or use the Site. If you have any questions about these Terms, please contact [CORPORATE INFORMATION CENTER](#).

Privacy

Use of this Site is also subject to DuPont's [Privacy Statement](#), which is incorporated herein by reference. You also acknowledge and agree that transmission of information over the Internet is never completely private or secure, and there is the possibility that information you send or receive from the Site may be intercepted by others, even if there is a notice that a particular transmission is encrypted.

Terms of Use Revisions

DuPont reserves the right in its sole discretion to revise and update these terms and conditions from time to time. Any and all such modifications are effective immediately upon posting and apply to all access to and continued use of the Site. You agree to periodically review the terms and conditions in order to be aware of any such modifications and your continued use shall be your acceptance of these.

The information and material on this Site may be changed, withdrawn or terminated at any time in DuPont's sole

© 2020 DuPont. DuPont™, the DuPont Oval Logo, and all trademarks and service marks denoted with ™, SM or ® are owned by affiliates of DuPont de Nemours, Inc. unless otherwise noted.

AGREE

DECLINE

Step 7

You will be prompted to change your password.

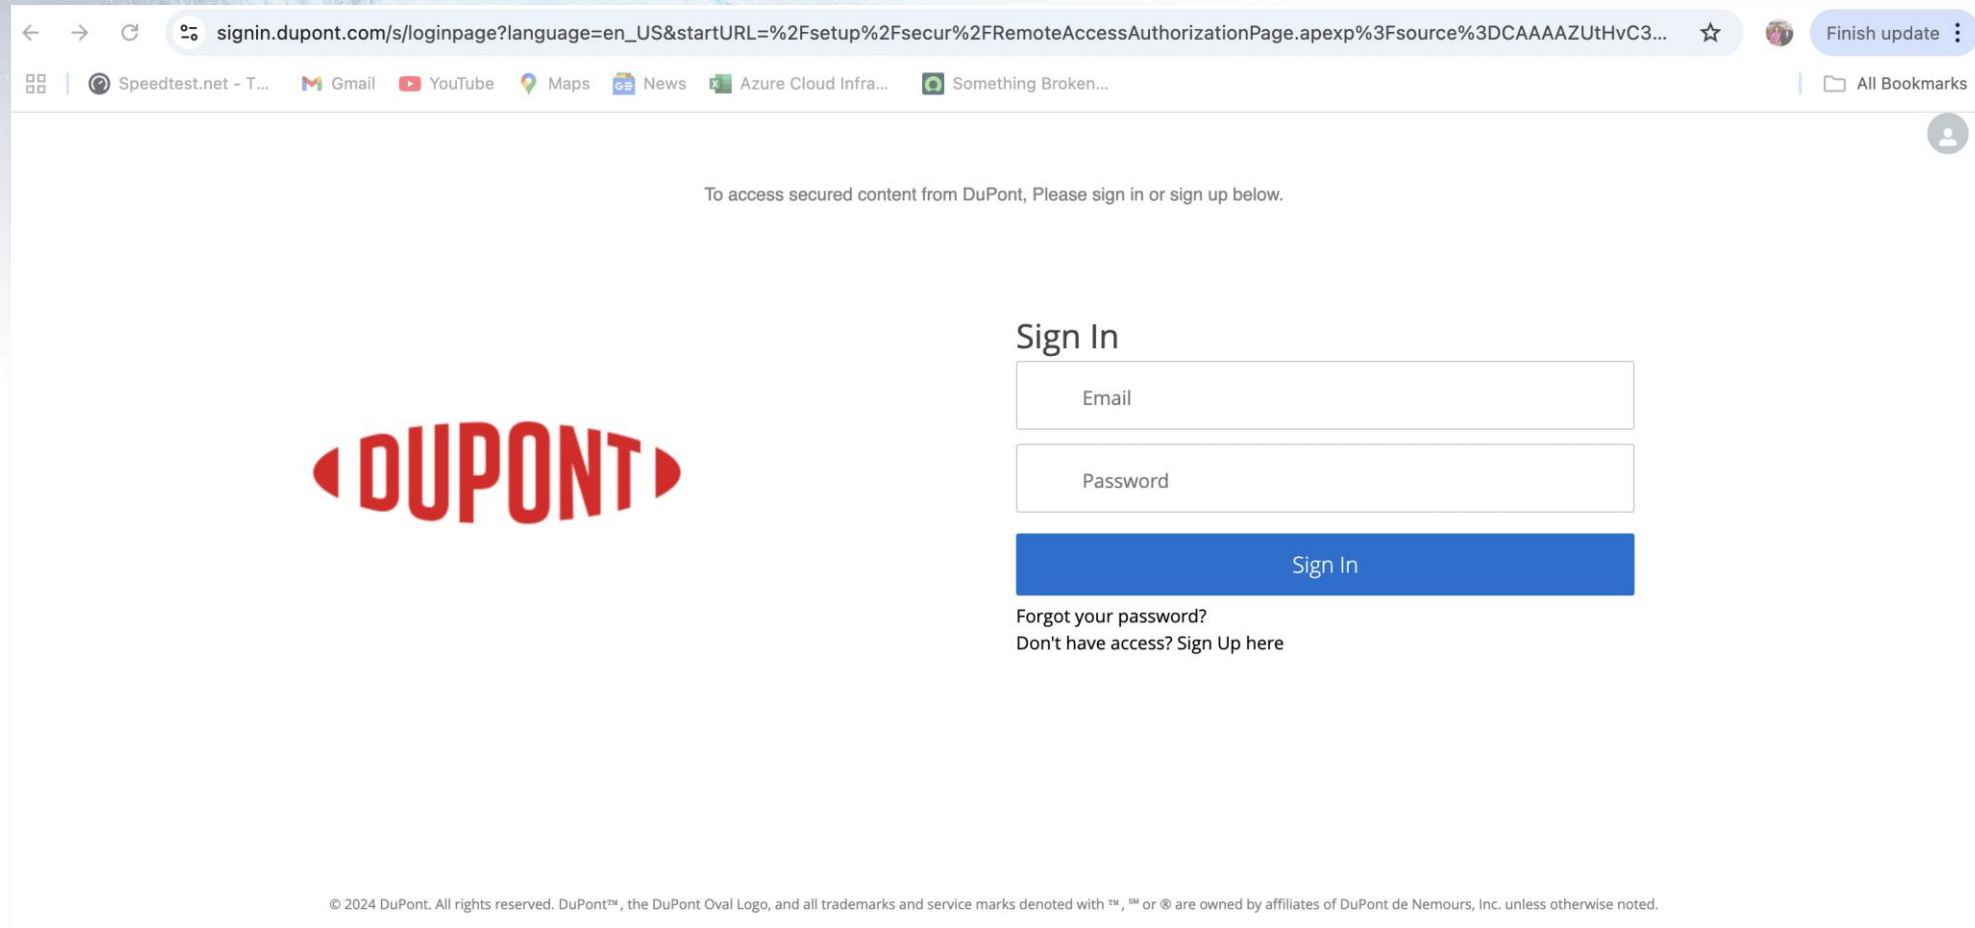

The screenshot shows a web form titled "Change Your Password" with the Dupont logo at the top. The form asks the user to enter a new password for the email address **indra.chatterjee@yopmail.com**. It lists five password requirements: 8 characters, 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character. There are two input fields: "New Password" and "Confirm New Password", both marked as required. A "Change Password" button is at the bottom. A red arrow points to the "New Password" field, and a red circle with a white mouse cursor icon is positioned next to it. At the bottom of the form, it states "Password was last changed on 2/21/2025 1:06 AM."

Step 8

You will be redirected to the Login Screen

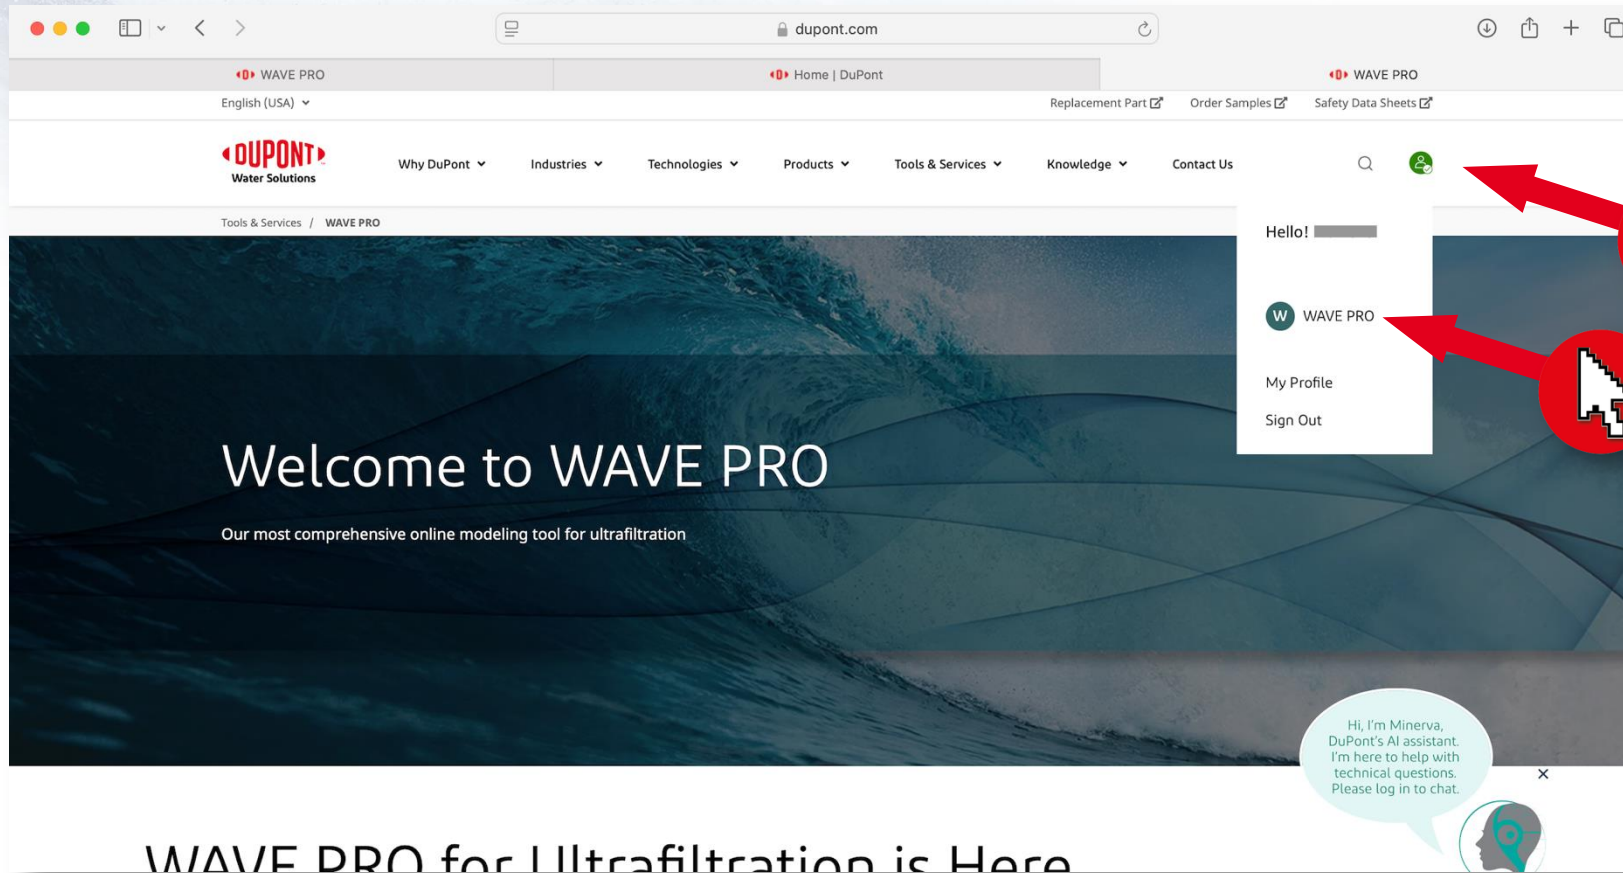

The screenshot shows a web browser window with the URL `signin.dupont.com/s/loginpage?language=en_US&startURL=%2Fsetup%2Fsecur%2FRemoteAccessAuthorizationPage.apexp%3Fsource%3DCAAAAZUthvC3...`. The browser's address bar and tabs are visible at the top. The main content of the page is a login screen. On the left side, there is a large red 'DUPONT' logo. In the center, there is a message: 'To access secured content from DuPont, Please sign in or sign up below.' To the right of this message is a 'Sign In' section. It contains two input fields: 'Email' and 'Password'. Below these fields is a blue 'Sign In' button. Underneath the button, there are two links: 'Forgot your password?' and 'Don't have access? Sign Up here'. At the bottom of the page, there is a small copyright notice: '© 2024 DuPont. All rights reserved. DuPont™, the DuPont Oval Logo, and all trademarks and service marks denoted with ™, ℙ or ® are owned by affiliates of DuPont de Nemours, Inc. unless otherwise noted.'

Step 9

After logging in, go to My Profile in the top right corner to find WAVE PRO added to your list of subscribed apps. Click on WAVE PRO to get started.

Step 10

Accept Digital Terms & Conditions.

Note: User has to scroll down to the bottom of the page to enable Acceptance button

DUPONT WATER SOLUTIONS

DIGITAL PROGRAM TERMS AND CONDITIONS OF USE

You ("Customer") have elected to subscribe to a DuPont Water Solutions Digital Program ("the Program"). Please read these terms and conditions carefully as they represent the terms of a binding agreement (the "Agreement" or "Terms") between Customer and DDP Electronic Materials, LLC and Affiliates ("DuPont") and govern your use of the DuPont Water Solutions Digital Program. You will be accepting and agreeing to be bound by these Terms by clicking a box indicating that you agree with these Terms.

1. **Definitions.** Capitalized terms shall have the definition set forth below:

"Access Period" means the agreed period of time during which Customer will have access to utilize the Program, Software and Documentation.

"Affiliate" means any corporation, limited liability company or other entity that controls, is controlled by, or is under common control with DDP Electronic Materials LLC.

"Customer Data" means any and all data, information and/or materials provided or made available by or on behalf of Customer to DuPont for use in connection with Program or otherwise relating to the Agreement.

"Derived Data" means (i) Customer Data that has been processed, anonymized, aggregated and/or manipulated by or on behalf of DuPont to such a degree that it cannot be identified by visual inspection as originating directly from Customer Data and cannot be reverse-engineered such that it can be so identified; and (ii) any general information or insight that is derived by or on behalf of DuPont in connection with the Program or the Agreement.

"Documentation" means all documentation and other materials related to the Program, and/or Software, including (i) Program information, documents, brochures and digital files, and (ii) user manuals, help files and any other instructions and documents that describe the functionality, installation, operation, use, support, technical features
