Year of Validity: 2026

USA FDA – Food Additive Status

FilmTec™ Eco Pro-440 Element

When used unmodified and according to good manufacturing practices, these membranes will comply with the U.S. Food, Drug and Cosmetic Act as amended under Food Additive Regulation 21 CFR § 177.2550. These products may be used in processing liquid food and to purify water for food manufacturing in compliance with the mentioned regulatory citation.

Use of these products is subject to good manufacturing practices and any limitations which are part of the regulations. The regulations should be consulted for complete details.

Element parts or materials in contact with the potable water are compliant to 21 CFR § 170 to 199. Each has their own listing similar to the membranes.

Please be assured we are committed to providing high-quality products and service to our customers. If you have any questions or require further information, please contact us via our website at http://dupont.com/water/contact-us.
